

After extensive campaigning in 2008, BBC Children in Need replaced its 084 telephone numbers with the 034 equivalents. This ensured that callers paid only the cost (if anything) of a call to a geographic number to donate or request a fundraising pack.

As Countryfile launches its 2013 Calendar, something seems to have gone wrong. Callers to 0844 811 7044 pay a premium Service Charge of around 5p per minute to the operator of the order line, plus a premium Access Charge of up to 35p per to their telephone company.

If you would like to see these beautiful shots on your wall you can call the order line on
